ABOUT US

The Community Focus Trust was established in 2014 after seeing a need within the community and with discussions with Empower Church leadership. The Community Focus Trust was then formed and is focused on helping the community in practical ways.

The Community Focus Trust gained its registration as a non-profit charity with the Charities Commission in May 2016.

HOW CAN YOU HELP TO EMPOWER OTHERS

We value each volunteer we have on our team, so if you have 1 hour or 1 day, help us by empowering our community through helping out in areas of our operations.

OUR MISSION, VISION & VALUES

focusing on the needs in our community, so that everyone can be connected and feel part of a community

to facilitate practical support and social services to our community, based on the needs as we find them

equip, empower and collaborate to build stronger communities.

OUR FOCUS

We are still seeing many challenges throughout our communities, some that will have long term effects.

Our operations have always been focused on helping those in need, providing essential food across our city, as we work with other organisations, which will not change.

Our focus will continue to offer help and assistance, as we reach out to our community in practical ways, that in doing so, we can help transform lives so that everyone feels part of their community.

If you are able to help us through sponsorship or donations towards a project, please contact us to discuss this in detail.

"Alone we can do so little; together we can do so much."

EASTER FAMILY PACKS

This year it's great to be working again with Empower Church, proudly supporting Conductive Education Canterbury families & this year the families from 2 Ferndale Units, with our annual Easter Family Packs.

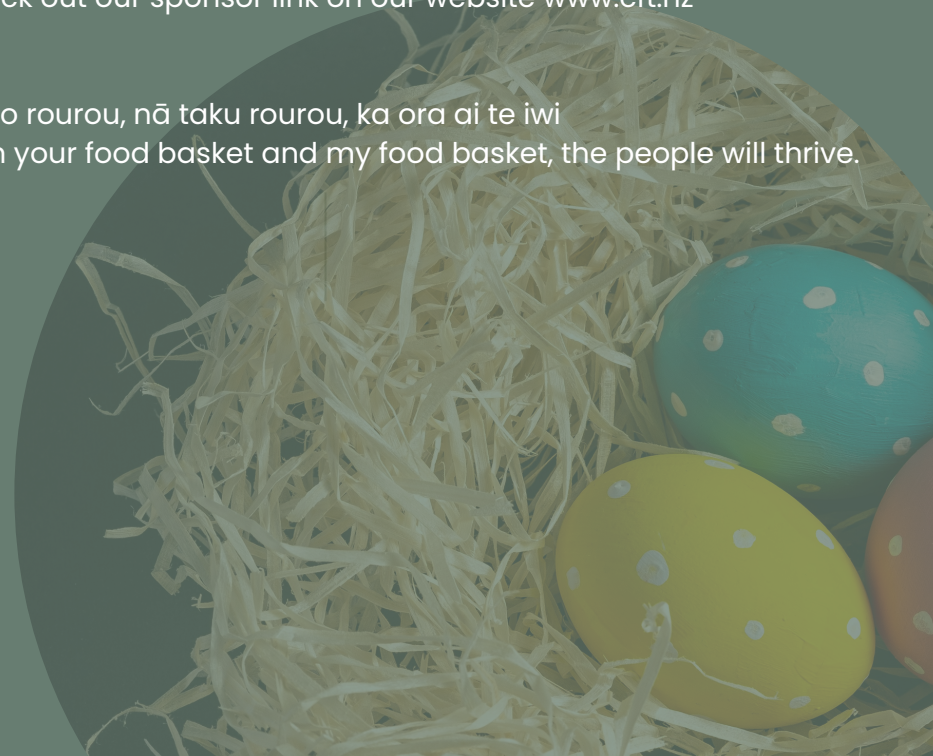

These will include special treats, along with pantry stock items, supporting these amazing families.

We are excited as we provide ongoing support for these organisations, as they support children and families by providing early intervention, making the families the centre in everything they do.

By sponsoring a family, you will be helping us fill these boxes with not only Easter treats, but the essentials to help a family this Easter.

Check out our sponsor link on our website www.cft.nz

SOCIAL CONNECT

We find that people are needing connections within their communities and this is one area we are focusing on, with this group just to have a cuppa and chat.
